Staff Members of Motheo District Municipality,  
Ladies and Gentlemen: and all Protocol Observed

Chairperson,

Thank you for the opportunity you have given to us as Motheo District Municipality to present to the Sunflower home the gift of groceries for the benefit of its inhabitants on behalf of the Executive Mayor who is overseas on official commitments and the Acting Executive Mayor, who on account of political commitments could not also make it for this meeting.

Thank you also to Me Morwa Letsaba, our staff-member at Motheo District Municipality, for having ensured that this home receives this humble gift as a demonstration of our institutions support and commitment to “ Operation hlasela”, which was launched on 15 June 2009, by the honorable Premier of the Free State Province, Mr Magashule.

Le rona Masepaleng wa Setereke sa Motheo re hlasela bofuma le tthekefetso ya bomme le bana. Ke motlotlo ho nehelana ka mphonyana ena ho lehae la Sunflower.
