Transport

Land Transport

Transport sector is a strong local sector; Bloemfontein is an ideal transport link to all national roads. Transwerk goods shed and warehouse is believed to be the largest in the whole southern hemisphere. The Warehouse and storage capacity at Estoire is currently expanded that allows goods to be stored at the most central point of SA. The Mangaung Local Municipality's Mangaung Intermodal Transport facility Plan is completed. Re-opening of the rail commuter transport between Bloemfontein to Maseru [N8 Corridor project] is being investigated

Air Transport

Daily flights connect to OR TAMBO and Cape Town International Airports. ACSA has earmarked Bloemfontein Air port for the facelift expansion at the cost of R 37 million, the money is to be spent on expansion of passenger and taxi parking bays, the VIP lounges and departure/arrival points.
